

Holiday at Magnolia Bay (Southern Born Christmas Books 1)

Book 1) goes terribly wrong, ending in the death of a teammate, Navy Seal, Drew Lanham, is forced to take a leave from active-duty. Retreating to his godmother's beach house in coastal Magnolia Bay, Drew plans to spend the three weeks R&R licking his wounds and catching some rays while the nightmares from his failed op fade. The last thing he wants to do is mingle with the locals. What he doesn't count on is an early morning encounter with a goddess rising from the sea. His interest is piqued and his body put on alert when he finds out that same woman may or may not be after his godmother's money. Marine biologist, Jenna Huntley, has been searching her whole life for a place to call home and Magnolia Bay is that place. Unfortunately, she's underutilizing her education giving tours at the town's turtle rescue center. With the help of an octogenarian patroness, she maps out a proposal to develop a turtle hatchery on-site. Everything is going as planned until the older woman's godson arrives. Suddenly, nothing is as it seems and Jenna's future is hanging in the balance, with a sexy warrior pulling all the strings. Her natural tendency is to help the damaged hero, but she's sworn off letting military men in her life ever again. Will Drew and Jenna be able to put their pasts behind them and learn to trust their hearts long enough to enjoy their Holiday at Magnolia Bay? Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things. Your capable and endlessly receptive. Just Like me.
