

Man v. Liver 2015 Wall Calendar

â€fA clever cocktail of upscale culture and manliness, the Man v. Liver 2015 Calendar features twelve months of witty musings accompanied by a roughly sketched, style-conscious bachelor whos never short on quips aimed at fellow party guests, dates, and of course, his beloved liver.â€fThis calendar is a toast to that blurry struggle between pleasure and...hangovers. Oh, well. Out of glass, out of mind.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *â€œMay it please your Majesty.â€•* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
