

Jeep Off-Road 2013

The Jeep® Off-Road calendar returns in 2013 with exciting new photography from Four Wheeler magazine's Ken Brubaker. Images showcase Jeep® vehicles splashing across rivers, playing in the mud, climbing over big rocks, and tearing up snowy paths. Capturing the essence of off-road adventures in breathtaking landscapes, Brubaker's photography displays the true rock-crawling, mud-flinging, snow-scrampering abilities of Jeep® vehicles. Detailed captions provide the nitty-gritty on models, modifications, and trail locations.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?,
