Rated R, Author Crystal McDaniel-Freeman stirs the red hot ambers of romance through explicit poetry that is sure to rekindle dying flames. Quite candidly, Crystal presents vivid scenarios that will no doubt speak volumes to couples nationwide and leave them dripping wet with desire. From newlyweds to the more seasoned couples, she will inspire all to reach for another level of intimacy as she creatively takes readers on a journey of steamy eroticism. As a Christian, she unashamedly presents sex as a gift that God has given to be enjoyed in the confines of marriage. With no holds barred, Crystal McDaniel-Freeman rips to shred the religious lies that sex is a dirty, overrated act, but exposes the truth—“it is a sacred form of worship.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet “May it please your Majesty.” So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon

blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
