

The Farmers Wife Favorite Recipes 2014 September 2013 through December 2014

The 6 Month™ Calendar a monthly magazine published between 1893 and 1939, provided a sense of community among hard-working rural women. In a time before high-speed Internet connected us all, this magazine was a forum for farmerâ€™s wivesâ€™ questions and concerns and assisted them in the day-to-day goings-on about the farmâ€™ from raising chickens to dressing the children and running the kitchen. In this beautiful sixteen-month calendar, some of the best recipes from the Farmerâ€™s Wife have been collected and arranged by seasonal appeal. Learn how to make everything from caramel raisin apples in wintertime to raspberry pie in the summer. With classic illustrations of farm life, this delightful calendar is a wonderful resource for planning the futureâ€™ and remembering the past.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband

So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
