

First Class Hero (First Class series Book 5)

A military romance by USA Today bestselling author, AJ Harmon (For Mature Audiences Only – Adult Content) Lieutenant Commander Paul Lathem has served his country proudly for eleven years as a Navy Seal. He has risked life and limb to preserve freedom and has loved every minute of it, but having entered his thirties, he realizes he’s looking for more. He wants the wife and the kids and the life he sees his older brother Matt enjoying. And he is sure he wants it with Nic, but she isn’t convinced. Born and raised in Norfolk, Virginia, Nic Stewart has had a difficult childhood, with scars burned deep in her heart. Recently fired from her job as a kindergarten teacher, Nic increases her employment search radius and ends up in Manhattan, just blocks from the Lathems and Paul. Will Paul be able to soften Nic’s heart and rescue her from the demons of her childhood? Can he convince her she deserves a love story? Victoria, Facebook Fan Page "I'm loving this journey with the Lathem family. I like the fact that whilst you get a glimpse at all of the family members and are given a bit of the background for each character, A J Harmon has not forgotten the two main characters who started the series, Matt (who I fell in love with-move over Christian Grey!!) and Janie and we see more of how there lives have changed as well!" cj on Amazon UK "I so enjoyed this author and this series. I highly recommend buying all four as you will be looking for the next one so after finishing the previous one I cant wait for the next series!" Kerry on Amazon

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband

and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
