

Encounters with Rikki: From Hurricane Katrina Rescue to Exceptional Therapy Dog

true story of the incredible partnership between Chuck and Rikki, a very special rescue dog. Rikki first found her home with Chuck and Patty Mitchell in the aftermath of Hurricane Katrina. Even though the golden retriever was a shy, shell-shocked puppy still adapting to the stress of displacement, Chuck recognized her innate abilities as a therapy dog. Together they bring healing and hope to recovering patients, accident victims, and the mentally ill. Soon Rikki's quiet confidence attracts the attention of advocates of child victims. Called upon to testify in court, child witnesses must recall horrific memories in the presence of their abusers; the tireless work of Chuck and Rikki allows these children to do so with a therapy dog by their side. Inspiring and heartfelt, Rikki's story illustrates the far-reaching effects of the human-animal bond.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband

and a quiet [May it please your Majesty](#). So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
