Alasdair Rex Westwood is a smooth-talking, risk-taking, party-loving wild child, redeemed only by the royal blood running in my veins. At least, that's what the tabloids would have you believe. That's all in my past, but I still carry the weight of all I've done, of the people I've lost. The moment I lay eyes on Katherine for the first time in five long years, something flickers deep inside me. Hope, or at least longing. Maybe I'm not as dead inside as I think. Maybe I'm not a lost cause, after all. I have to have her, can't leave her alone, even though I know it's wrong. She's too good, too light inside. I've never understood why she walked away before, why she left without a goodbye, but I'm sure she had her reasons. After all, what woman in her right mind would try to tame me? If she's not careful, she's going to end up finding out why I'm the ultimate BAD BOY PRINCE! Lady Katherine Kit Saville Prince Magnum, as he's called in the papers, is the the biggest pr\*ck I've ever met. Dirty mouth, dirty mind, and way too hot for his own good. I loathe him. When we were younger, he took my V-card, trampled on my tender heart, and left me with a secret so big I can't ever fully trust anyone again! Now my Mum is marrying Alasdair's father! and that will make us step-siblings. Step-siblings that used to share a lot more than an English class. Just looking at him makes me blush, reminds me that I still fantasize about him touching me! The one guy I said I'd never trust again. The

one whose filthy talk and sinful good looks make my body yearn. The one I absolutely cannot have, for so many reasons. Will I ever learn my lesson, or will I fall prey to the BAD BOY PRINCE one last time? This standalone bad boy romance novel contains no cliffhangers and a guarantee of a happy ending. It also contains TWO BONUS NOVELLAS FREE -- just for fun! Heat your night up tonight!

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
