To survive the present and have a future, she must trust a man from her past. D.A.R.K. Cover, Inc., Book 2 Shelly Marie Dixon is a woman with a scary past. Literally. Never able to settle in one place because of the man set on tormenting her. After five years of struggling to move on with her life, she goes back to the man she left years ago. Hopefully, he will help her and not brush her aside. Adam Wilder, eldest brother and co-founder of D.A.R.K. Cover, Inc., never in his wildest dreams expected to find his lost love sitting in the lobby of his company building. No way heâ€™s letting her face this danger alone. If it takes all of D.A.R.K.â€™s resources he will risk it. Whatever it takes to keep her safe. Problem is, will he be able to keep it professional, because one look at her and he wants to go back to how things were, way back when. The only way that is going to happen is if sheâ€™ll believe him when he says: â€œTrust me.â€•

kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
