

# Swift 2 Cookbook

**Key Features**

- Conceptualize and write effective applications for iOS/OS X using Swift 2
- Make the most of Swift's diverse features, from configuring your projects to using design patterns and different types of databases
- A fast-paced, comprehensive guide equipped with lots of tips and tricks to help you learn about Swift programming quickly

**Book Description**

Swift is Apple's innovative development language that was introduced at the WWDC (WorldWide Developers Conference) 2014 alongside Xcode 6 and iOS 8. This user-friendly language is packed with modern features to make programming easier and fun, with a lot of flexibility. With Swift 2 comes even better performance, a new error handling API, protocol extensions, and super support for availability checking. This book will equip you with all the practical programming aspects of Swift 2. It covers the important features and paradigms that Swift provides to developers. You will begin by installing Xcode from the App Store and using Swift as an interpreter. Then, you will see how you can upgrade your existing Swift 1.2 code to Swift 2.0 with the help of Xcode. You will see how to use structs and generics, and work with different Design Patterns with Swift. Debug and test your code using Xcode and see how to use assembly code effectively with Swift. By the end of this book, you will have the necessary skills to get the most out of Swift to develop effective mobile and web applications.

**What you will learn**

- Install Xcode from the App Store
- Upgrade your existing Swift 1.2 code to Swift 2.0
- Use the standard Swift 2.0 library and collections
- Work with structs,

generics, and design patterns in SwiftUse the new markup language to provide rich documentation of codeWrite a book using Playgrounds and SwiftDebug and test your code using XcodeIntegrate your code with Objective-C and use assembly code with SwiftLeverage the Objective-C runtime when compiling Swift using associated objectsAbout the AuthorKyle Begeman is a self-taught programmer, entrepreneur, and educator. With over 6 years of experience in iOS development, Kyle has produced multiple applications personally and professionally (usually with large businesses). Kyle also produces educational videos and courses for others to learn how to program. A self-proclaimed nerd living in Silicon Valley, Kyle spends most of his free time listening to and playing music while thinking up the next great project. You can learn more about Kyle and his work by visiting [www.kylebegeman.com](http://www.kylebegeman.com).Table of ContentsGetting Started with Xcode and SwiftStandard Library and CollectionsUsing Structs and GenericsDesign Patterns with SwiftMultitasking in Your AppWorking with PlaygroundsSwift Debugging with XcodeIntegrating with Objective-CDealing with Other LanguagesData AccessExtensions, Photos, and More

Dead on Revival Main menu Skip to content Home About the Blog About the Blogger The Alphabet The List Sleep now; fear human nature tomorrow POSTED ON FEBRUARY 16, 2016 Ive had this blog for nearly a decade. Fuck. POSTED IN LIFE A Prayer POSTED ON NOVEMBER 27, 2015 You are, of course, too much I am easily tired and slow Where you run on for days without rest: The God of ultra-marathons and Bolt Who still jogs beside me on my 12-minute mile Where you work without end: The Messenger for Gods without rest or relent Who pulls me to my feet on 14 hour shifts Where you laugh without reserve: The Prankster who steals their best friends cows Who reminds me that may it harm none we all need to have fun Where you lead: The Guide today until death Who rides beside me on long

sleepy nights Enagonius, Poneomenos, Mechaniotes, Diaktoros Transcendent and eternal You called to me and I fall at your feet I thank you, Lord Hermes, for your blessings and your indulgence as I find my way on your path POSTED IN LIFE TAGGED DRU TALKS GODS, HELLENIC POLYTHEIST, HERMES, POLYTHEISM, PRAYER Drunk Advice From A God POSTED ON NOVEMBER 3, 2015 2 the days are pouring nectar down my throat so thick and sweet that it makes my teeth brittle in exhalation to life and he tastes like spiced wine, in-toxicating and scalding as he elevates me the way a lift carries you as high as you ask it as high as its able He laughs: Burn Your Feet flying through inexorable hours you once spent languishing in despondence Reach out with both your hands for Death and screech your joy when She recoils, smiling POSTED IN LIFE TAGGED DEVOTIONAL STUFF, DRU BLOGS, HERMES, MY STUFF, PERSONAL, POETRY, WRITING Eirwyn p1 POSTED ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?, WRITING vibrato POSTED ON JULY 8, 2015 OK. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdammed bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things. Your capable and endlessly receptive. Just Like me. POSTED IN WRITING TAGGED IT JUST SEEMS ARROGANT TO CAPITALISE YOUR OWN ME, NOT SORRY, POETRY, SORRY Post navigation Older posts Subscribe Enter your email address to subscribe to this blog and receive notifications of new posts by email.
