

Save Your Soul (Body & Soul Book 2)

Brecken Kane had been damn good at his job in the military. The experience served him well when he moved into the private sector. Brecken's new security business is booming, and he's settling into civilian life. Little does he know his newest client's request to save his daughter will change everything. Hadley Gresham knows she isn't likely to make it out of the jungle alive. She's distanced herself from her parents after she learned her dad made his money selling illegal arms. Kidnapped by his competitors, she knows there's little chance he'll be able to save her. Luckily for Hadley, her father hires Brecken. He'll never leave an innocent woman behind, let alone the one he quickly comes to consider his. Brecken might be Hadley's rescuer, but she's the one who saves his soul. Warning: This book has an alpha hero who races to the rescue of the virgin heroine. If you like insta-love and hot sex in the steamy jungle, then this story is for you! Please note: This is the second novella in the Body & Soul series, but it can be read as a standalone. Each book in the series features a different couple.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
